Glass Open Book

TUFFX PROCESSED GLASS LTD

Description:	TuffX Processed Glass Ltd, has nearly twenty five years experience in specialist, toughened safety glass manufacturing. TuffX is established as one of the UK's most progressive, customer-oriented companies. Using the most modern engineering technology, products up to 19mm in thickness are manufactured in-house, giving us total control of production quality with the entire range conforming to European Safety Standards. We have in excess of 20 plus vehicles fleet providing a nationwide delivery service with standard deliveries being 5-6 working days, or an express service is available if required. INNOVATION We are UK's leaders in research and development within the glass industry and work closely with the world's leading glass manufacturers. At our state of the art factory we house the latest innovative glass machinery and technology on the market.
Location:	United Kingdom
