Description:

SGD Pharma has unique know-how and offers innovative premium quality primary packaging compliant with international Pharmacopoeias.

From design to manufacturing, our teams will support you in the development and implementation of your project.

SGD Pharma’s corporate quality policy is applied in all of its manufacturing facilities and is compliant with pharmaceutical Good Manufacturing Practices (GMPs).

Recognizing that the patient is the end user of its products, SGD Pharma implements the strictest quality standards. All of our manufacturing sites are fully dedicated to pharmacy and are according to ISO 15378 standards. Each of our vials is inspected and packed in an ISO 8 (class 100,000) clean room.

In the pharmaceutical industry more than anywhere else, security of the supply chain is critical. We protect our clients and their patients by making every effort to ensure a continuous supply of glass. SGD Pharma provides back-up solutions from its different manufacturing sites for all types of glass.

Our global footprint and vast distribution network allow us to serve you wherever you are in the world.
