Specialist Glass Products Ltd

SPECIALIST GLASS FROM THE GLASS SPECIALISTS

Description:

We’re a specialist glass manufacturer that has earned a longstanding reputation for exceeding expectations. As a structural glass supplier based in Yorkshire, we have designed flat, curved, annealed, toughened, laminated and double glazed glass solutions to businesses all over the UK for over 11 years.

We manufacture all our products in house giving us control over lead times and quality whilst enabling us to be competitive on costs.

WHY US?
Our unrivalled expertise, creativity and craftsmanship mean you can trust us to deliver a high quality finish that will reflect well on your business for years to come.

EFFICIENT
If time is of the essence, we can toughen glass as part of an express service. All products are made in house to guarantee quality, quickly.

CREATIVE
We can offer a full templating service for each project ensuring a unique, bespoke design made to your individual needs.

PROFESSIONAL
With 11 years experience of supplying and manufacturing glass we have built a reputation to exceed expectations through our skills and service, even offering delivery overseas and out of hours.
