# Glass Open Book

## VIDREMOT S.A.

The reference for high quality plungers and spare parts

Description:

Vidremot S.A. is a company specialised in the manufacturing of high quality plungers, coolers and I.S. spare parts for the glass industry.

We manufacture NNPB and wide mouth plungers with a wide range of coatings suited to our customer's needs. Of course all of our coatings are applied with the HVOF process.

We are also known in the glass industry for our high quality I.S. spare parts. We have focused our production in a limited range of parts to be able to guarantee that we are manufacturing them with the highest specifications.

Please browse our web for more details of our products.
