GLASSYMOULD | Derya Mumessillik Degerli Madenler San. Ve Tic. A.S

Description:

DERYA M.D.M San. Ve Tic. A.S has been established in 2016 with its brand name GLASSYMOULD® in order to supply mold equipment and spare parts needs of the Tableware glass industry globally.

We provide complete mould equipment and machine parts related with various glass manufacturing processes and machines (Press, Press& Blow, Spinning and T/T).

Our engineers and employees that we work together have over 20 years of experience and know-how in mold and spare part manufacturing. We offer quality, suitable pricing and lead times to all of our customers.

[Follow the company](#)

Our well-known customers / Glass Tableware manufacturing companies around the globe, our experience, know-how, valuable business partners, associates and workers are our greatest strength. By using our capabilities and capacity in common, we provide the best quality service that is continuous and sustainable. Our aim is to provide the best solution and advantages to our valuable customers and business associates around the globe. Therefore "DERYA M.D.M San.Ve Tic. A.S / GLASSYMOULD" has earned a rightful reputation for providing positive contributions to the tableware glass manufacturing industry since the start of its operations. Thanks to our customer's great trust and support since then.

We will continue to support our customers about their new and existing mould equipment needs or with turnkey projects related to their new machine investments.

Quality driven management and customer satisfaction is our main motto..
