Glass Open Book

DeGorter, Inc.

Serving you since 1922!

Description:	DeGorter, Inc. is a multi-generational, family-owned, manufacturer's agent serving the North American markets. We are exclusive partner for globally renowned products by Schiatti Angelo & Hornos Industriales Pujol, as well represent high-quality brands such as Macotec, Bohle, Spil Software, and Triulzi to name a few. We stock a large inventory of tools and supplies used in standard glass processing facilities; diamond tools, polishing tools, coolant products, laminating interlayers and much more. DeGorter's Mission: Continually improve the productivity of customers by providing the highest quality, technically advanced glass processing products, superior quality in services, and ongoing support.
Location:	United States
