FEVE

The European Federation of glass packaging makers.

Follow the company

Description:	FEVE is the Federation of European manufacturers of glass containers for food and beverage and flacons for perfumery, cosmetics and pharmacy markets. Its members produce over 80 billion glass containers per year. FEVE is the official voice of the glass container industry at European level. It promotes the common interests of its members throughout Europe and is actively engaged in dialogue with European stakeholders and NGOs. FEVE champions the position of the industry in the European debate on sustainability and it ensures collaboration with members and national glass associations on both Europe-wide projects and country based actions. FEVE ensures that members are constantly informed about EU developments in Life Cycle Assessments, Packaging and Packaging Waste initiatives, developments in sustainable production and consumption, European Emissions Trading Scheme, REACH, and many other dossiers. The Association promotes glass as an ideal packaging material for its unique environmental, economic and social assets. It actively supports the forum ‘Friends of Glass’ (friendsofglass.com) which brings together consumers who consider glass packaging to be good for themselves, their families and the environment.
