Glass Open Book

UzGlass 2025

Description:

UzGlass - the only professional exhibition for the glass industry in Central Asia.

It is the leading professional exhibition in Central Asia dedicated to the glass industry and its entire supply chain.

From architectural and automotive glass to hollow and container glass.

From Turnkey solutions, industrial design & layout planning of the whole industry to processing machinery, tools, raw materials, and innovative glass technologies, finished products – everything the industry needs is under one roof.

Held in Uzbekistan, a key gateway to the growing Central Asian market, UzGlass Expo brings together glass manufacturers, fabricators, engineers, architects, and international suppliers.

Discover the latest innovations, expand your business network, and explore new opportunities in one of the region's fastest-growing construction and industrial hubs.

Meet 150 global suppliers from Italy, Germany, China, France, Finland, India, Turkey, Czech Republic, Uzbekistan, Kazakhstan, Russia, and more.
