Glass Open Book

PGM & Partner Co.Ltd

Follow the company

Description:

PGM & Partner Co. Ltd. is a leading supplier of equipment and spare parts for the container glass industry in Asia, headquartered in Thailand with strong ties to European technology partners.
Products & Services
- Machinery & Equipment: Specialized machines, spare parts, and technical components for glass forming plants.
- Engineering & Support: Technical consulting, industrial services, and tailored solutions for glass manufacturers across Southeast Asia.

Industry Role
- Bridge Between Europe and Asia: PGM & Partner combines German engineering excellence with the dynamic requirements of the Asian glass industry.
- Market Position: Recognized as a key player in Asia, thanks to its mix of technical expertise, global sourcing, and local service.
- Future Outlook: With rising demand for glass packaging in Asia, PGM & Partner positions itself as a strategic partner for sustainable and efficient production.

Leadership
- Director & Founder: Klaus Wolff, an experienced entrepreneur with decades of expertise in the glass machinery sector. His vision and hands-on leadership have established PGM & Partner as a trusted partner for innovation and reliability in the Asian container glass industry.

PGM & Partner is more than a supplier—it is a strategic partner driving innovation, efficiency, and international collaboration in the hollow glass industry across Asia.

Location: Thailand

Sectors: Glass container

Activities: Equipment / Machinery supplier
