Glass Open Book

Glasstech Mexico 2026

The 6th edition will talke palce July 15-17, 2026 at Centro Banamex, in Mexico City

Description:

The Glasstech Mexico Expo, is the only professional Expo for Flat Glass doors and windows industry in Mexico. Our goal is to make the expo to be the largest Glass and Window industry expo in Latam Spanish speaking coutries.

It is held once a year. It is a professional business to business trade show for the industry.
The first edition took place in June 2019, the second edition postponed to 2022 due to COVID pandemic.

Our exhibitors are from Italy, Germany, Spain, USA, Canada, Mexico, Colombia, China, etc. Since 2019, many exhibitors have participated in our expo consecutively.

Glasstech Mexico is very focus on the industry, and invite professional visitors only. Our visitors are not only from Mexico, but also from the whole Latin America countries, and USA, Canada.

It is a professional plat form for world wide suppliers to meet all Latin America buyers!

Since 2019, there over 130 brands exhibited at our expo, and met over 2500 professional visitors.

Location: Mexico

Sectors: Flat / Float glass, Glass processing
