Hello everyone, I am Elisabeth, I am 39 years old and I live in Germany.

All my life I have been engaged in art, including the use of glass, especially in the manufacture of highly artistic stained glass windows for religious institutions.

You will love working with me as the art director of your company because the success of your business will become my number one goal. And I love and know how to achieve the tasks assigned to me.

Contact me so that we can discuss a strategy for the development of your business in Germany or around the world.
