Glass Open Book

Production Shift manager

£70-100k per year

Field of activity:	Production
Glass industry sector:	Glass container
Type of employment:	Full-time

I am currently employed as a Production shift manager and have been manufacturing for the last 18 years, I started as a Resorter (Packer), then I.S machine operator, to present job as a Production shift manager.
I am self-motivated worker who is results driven and always strives to achieve the very best, I am well organised throughout my work and am now seeking a new challenge to keep me on my toes and keep my skills up to date as I have been studying different courses for the last nine years.
I would be very grateful if you would consider me for this opening. I have attached my CV for more clarification on my experience and qualifications.
Thank you taking time to read my application and I look forward to hearing from you in due course.
Yours sincerely
