Glass Open Book

Production Manager

£50-70k per year

Field of activity:	Production
Glass industry sector:	Flat / Float glass, Glass fiber
Type of employment:	Full-time

With 14 years in float glass production I bring extensive hands-on expertise across furnace management, float bath control, lehr operations and insulation production, combined with a strong focus on operational excellence; I have managed furnace performance and thermal profiles to stabilize melt quality, optimized float line and lehr cooling schedules to meet tight dimensional and optical specifications, implemented process improvements that reduced downtime, rejects and energy consumption, and led cross-functional teams in operator training, safety and continuous improvement
